

*Leveraging Technology
for a Better Tomorrow*
IEEE Day
7 October 2014

The IEEE Hungary Section and Young Professionals Affinity Group organized an IEEE day on the 7th of October 2014 in the premises of Budapest University of Technology and Economics (BME).

The opening words were presented by Péter Kádár, the chair of Hungary Section. Then Prof. Árpád Csurgay, an IEEE life fellow held a highly interesting presentation about the mission of an IEEE Young Professional in Hungary.

As this event was also the first meeting of Young Professionals in Hungary, the stories of the members were told, how they joined IEEE and what do they expect from this new formation. The tasks and possibilities of Young Professionals were discussed, where special emphasis was put on the scientific events, organization of conferences and new member recruitment. Based on the discussion an activity plan was elaborated. The IEEE Day finished with a networking reception including some pizza and drinks.
